Academic Achievements

1.   Environmental Education

We need our school children to share and develop the motivation from school about various environmental issues which are the challenges of today and prepare them for the future. In the primary and secondary stages, the following major issues are to be dealt.
i)   Importance of trees and plants.
ii)   Importance of cleanliness and sanitation.
iii)   Caring for per animals.
iv)   Need for protection of environment.
v)   Conservation of water and forest resource.
vi)   Eco-system
vii)   Impact of deforestation
viii)   Green house effect
ix)   Wildlife protection
x)   Nuclear energy

2.   Sports achievements

"If you have a dream to chase, nothing can stop you".
At D.A.V. we arrange a number of games and competitions that inculcate a spirit of positive challenge and sportsmanship among the students and prepare them for a blissful life ahead. We give the students a chance to be activity involved in Taekwondo, Aerobics, Yoga, Volleyball, Basketball, Badminton and other sport activities.
Inter-House sports are being organized by the school to increase a sense of team-spirit among them.
Students of D.A.V. brought laurels to the school with their commendable achievement in various National and International competitions held in India as well as abroad. School sports team made school proud by participating in the following sports events recently.
2019-20 : Girls (Kho-Kho)- Inter school organized by Sai International School, Bhubaneswar.
2018-19 : Boys (Football) - Match organized by SAI Resident's School, Cuttack.
2017-18 : Girls (Kho-Kho)- Inter school organized by B.J.E.M-I , Bhubaneswar.
Boys Foot ball tournament held at Sainik School, organized by Bank of Baroda.

3. Innovation

Technology is causing massive changes in all sectors of the economy. Innovations are giving classrooms a new look and have changed the ways in which lessons are conducted. Here are the top six technology innovations that are causing major changes in education of our school.

i. Virtual Reality (VR) in Education.
ii. Artificial Intelligence and Machine learning.
iii. Cloud computing for Education.
iv. 3D printing.
v. Social Media in Educational Institutions.
vi. The use of Biometrics in schools.

School has achieved average of 95 percent as all students who appeared the exam passed. Out of the total number of students ten students secured more than 90 percent, sixteen students secured more than 80 percent and rest of the students secured more than 70 percent. Swayam Sanket Padhy topped the school with 96 percent. After the declaration of result DAVIANS are in a celebratory mood.

5. P.T.A Activities

"Never doubt that a small group of thoughtful committed citizens can change the world, indeed it's the only thing that ever has". - Margaret Mead.
The purpose of the D.A.V. PTA is to support the education of students by parents, teachers, support staff, school administrations and the surrounding community. Our PTA aims to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.
Our PTA values :
Collaboration, Commitment, Diversity, Respect and Accountability.

6. Important SMC decisions

School Managing Committee of our school based on the fundamental principle that individuals who are affected by the decision, poses expertise regarding the decision and responsible for implementing the decision. It is the primary decision-making unit which takes decisions regarding management of the school, budget, fiscal planning, assessment strategies for analyzing, interpreting students performance data, resource allocation, curriculum, salary adjustment, performance-based pay and public recognition for employee's for their accomplishments.
